

Westmont Fire Company Donor Brick Order Form

For more than 50 years, the Westmont Fire Company has been charged with the care of the *Doughboy*, Haddon Townships World War I monument and the World War II monument both of which memorialize those men who paid the ultimate sacrifice for our country. Since that time, we have also added the Korean War / Vietnam War monument and our own Westmont Fire Company monument. All of these stand as a tribute to those who have given their lives for a cause.

This past summer the *Doughboy* was relocated to the opposite side of our building. All four monuments now stand together along with a newly installed brick walkway which will allow residents and passersby to take time and visit in honor of the fallen.

In order to personalize the new walkway, we have decided to offer the bricks primarily as a remembrance to those who have served our country or community. Now, for only \$45.00 you can have a 6" x 9" brick installed with the name of a loved one that will serve as reminder for many years to come. Complete and return this form to begin the process.
